STATEMENT UNDER 37 C.F.R. § 1.825

As required by 37 C.F.R. § 1.825(a), enclosed is an amended sequence listing consisting of eight sheets to be inserted at the end of the application.

These amendments were made because applicant noted that an error was made in SEQ ID Nos: 3 and 4 as originally filed. The errors are corrected so that the present sequence listing matches the priority document. I hereby submit that the substitute sheets contain no new matter.

As required by 37 C.F.R. § 1.825(b), enclosed is a diskette containing a copy of the sequence listing in computer readable form including all previously submitted data with the amendments incorporated therein. The contents of the computer readable form
